

It's our
7th annual campaign
Light a Tree for Thyroid!

Do you have thyroid disease? Does someone you know have thyroid disease? Have you heard how ill some people can become if they have a thyroid condition and it's not properly diagnosed?? Many out there are desperately looking for answers – we are trying to be a source of assistance to them.

The Thyroid Foundation of Canada is very thankful for the contributions to our Light a Tree campaign in the past.

Donations no matter how big or how small will help to:

- * Deliver programs and assist with research.
- * Provide up to date medical information on the various types of thyroid diseases.
- * Produce our newsletter, *Thyrobuletin*, containing up to date articles on issues regarding thyroid disease and TFC activities.
- * Reach those in remote areas where the internet is not so accessible.

Please help us to continue our work by Making a Donation. Every **\$25.00** donation puts a light on our **Thyroid Tree** and helps us continue our work for thyroid

Please be generous with your contribution. Various options to donate are available to you, including PayPal. Complete the form below and mail it to the address provided or visit www.thyroid.ca and donate online.
